RES
2025

The diagram shows a stepped building footprint composed of five rectangular sections labeled A, B, C, D, and E. The dimensions are as follows:

- Section A (Pink):** 14 units wide and 28 units high.
- Section B (Red):** 28 units wide and 34 units high.
- Section C (Green):** 11 units wide and 6 units high.
- Section D (Light Green):** 14 units wide and 6 units high.
- Section E (Yellow):** 8 units wide and 8 units high.

The overall footprint dimensions are 42 units wide (14 + 28) and 40 units high (28 + 12). The sections are arranged such that Section A is at the bottom left, Section B is to its right and slightly higher, Section C is on top of Section A, Section D is on top of Section B, and Section E is on top of Section B.
