RES
2025

The diagram illustrates a geometric composition of a large rectangle into several colored squares and rectangles. The central figure is a large rectangle with a total width of 40 and a total height of 28. It is composed of several colored regions: a green square G (top-left), a red rectangle B (middle-left), a blue rectangle C (bottom-left), a green square F (top-middle), a red rectangle E (middle-right), a pink rectangle A (bottom-right), and a green square D (bottom-middle). The diagram is surrounded by several small yellow squares containing numbers: 2, 3, 4, 5, 6, 7, 8, 9. The numbers 7 and 8 are in a 2x2 grid on the left, 9 is to its right, 2 is above 2, 3 is to the right of 2, 4 is below 5, 5 is to the right of 6, and 6 is above 4.
