Diagram illustrating a composite figure composed of several colored rectangles (blue, red, pink, green) and a small table with numbers.

The figure is composed of the following regions and dimensions:

- Blue Region (C):** A rectangle with a width of 12 and a height of 30. Its top edge is labeled 26.
- Red Region (D):** A rectangle with a width of 14 and a height of 8. It is attached to the bottom right of the blue region.
- Pink Region (A):** A rectangle with a width of 48 and a height of 30. It is attached to the right side of the blue region.
- Green Region (B):** An L-shaped region with a total width of 52 and a total height of 38. It is attached to the bottom and right sides of the pink region.

The small table in the top right corner contains the following numbers:

4	2	3
---	---	---
