The diagram consists of several colored rectangles and numerical labels. The central arrangement includes:

- A red rectangle labeled 'B' with dimensions 11 by 8.
- A blue rectangle labeled 'C' with dimensions 13 by 16.
- A green rectangle labeled 'F' with dimensions 6 by 10.
- A yellow rectangle labeled '4' with dimensions 4 by 4.
- A red rectangle labeled 'D' with dimensions 10 by 14.
- A green rectangle labeled 'E' with dimensions 5 by 5.
- A red rectangle labeled 'A' with dimensions 16 by 14.

Other numerical labels include 6, 8, 11, 13, 14, 16, 20, 24, 28, 3, 5, and 8, which are placed around the rectangles, possibly indicating their dimensions or areas. The overall layout suggests a complex geometric proof or a calculation involving the areas of these rectangles.
