Diagram illustrating a geometric figure composed of several rectangles labeled A, B, C, D, E, and F. The figure is a large rectangle with a total width of 34 and a total height of 48. The rectangles are colored and labeled as follows:

- Rectangle A (Pink):** Dimensions 26 (width) by 40 (height).
- Rectangle B (Red):** Dimensions 14 (width) by 14 (height).
- Rectangle C (Green):** Dimensions 8 (width) by 18 (height).
- Rectangle D (Blue):** Dimensions 24 (width) by 26 (height).
- Rectangle E (Light Green):** Dimensions 6 (width) by 6 (height).
- Rectangle F (Red):** Dimensions 18 (width) by 18 (height).

The figure is composed of these rectangles arranged in a larger rectangle. The total width is 34, and the total height is 48. The diagram shows the arrangement of these rectangles and their dimensions.
