RES
2025

The diagram illustrates three rectangles labeled A, B, and C. Rectangle A is pink, with a width of 44 and a height of 28. Rectangle B is blue, with a width of 22 and a height of 28. Rectangle C is green, with a width of 14 and a height of 14. Rectangle C is positioned such that its bottom-left corner is at the top-right corner of rectangle A, and its bottom-right corner is at the top-left corner of rectangle B. The horizontal distance between the right side of rectangle A and the left side of rectangle B is 4 units.
