The diagram illustrates a large magenta shape (A) composed of several smaller colored regions (B, C, D, E, F) and yellow squares (2, 3, 4, 5, 6). The diagram includes various numerical labels indicating dimensions or areas.

Regions and Labels:

- Region A (Magenta):** The largest central shape, labeled 'A' in the center. Its left vertical edge is labeled '16', its top horizontal edge is labeled '32', and its right vertical edge is labeled '32'. The bottom horizontal edge is labeled '16'.
- Region B (Red):** Located at the top left of the magenta shape, labeled 'B' in the center. Its top horizontal edge is labeled '18', its left vertical edge is labeled '14', and its bottom horizontal edge is labeled '14'. A small red square 'D' is attached to its left side, labeled '3' on its top edge and '9' on its left edge. A small red square 'C' is attached to its right side, labeled '14' on its left edge and '7' on its right edge. A small red square 'E' is attached to its bottom right corner, labeled '2' on its top edge and '5' on its left edge.
- Region C (Red):** Located at the top right of the magenta shape, labeled 'C' in the center. Its top horizontal edge is labeled '10', its left vertical edge is labeled '7', and its right vertical edge is labeled '14'. A small red square 'E' is attached to its bottom left corner, labeled '2' on its top edge and '5' on its left edge.
- Region D (Red):** A small square attached to the left side of region B, labeled '3' on its top edge and '9' on its left edge.
- Region E (Red):** A small square attached to the bottom right corner of region B and region C, labeled '2' on its top edge and '5' on its left edge.
- Region F (Green):** Located at the bottom left of the magenta shape, labeled 'F' in the center. Its top horizontal edge is labeled '16', its left vertical edge is labeled '6', and its bottom horizontal edge is labeled '8'. A small green square 'G' is attached to its top right corner, labeled '7' on its left edge and '10' on its top edge.
- Region G (Green):** A small square attached to the top right corner of region F, labeled '7' on its left edge and '10' on its top edge.
- Yellow Squares:**
 - Square 2:** Located at the top left of the diagram, labeled '2' in the center.
 - Square 3:** Located at the top left of the diagram, labeled '3' in the center.
 - Square 4:** Located at the top left of the diagram, labeled '4' in the center.
 - Square 5:** Located at the top right of the diagram, labeled '5' in the center.
 - Square 6:** Located at the top right of the diagram, labeled '6' in the center.
