RES
2025

The diagram shows a composite figure made of rectangles. The figure is composed of three main rectangular regions: a green rectangle (D) on top of a magenta rectangle (A), which is on top of a red rectangle (C). To the right of rectangle A is another red rectangle (B). The dimensions are as follows:

- Green rectangle (D): width 20, height 20.
- Magenta rectangle (A): width 24, height 24.
- Red rectangle (C): width 24, height 8.
- Red rectangle (B): width 28, height 16.

The overall dimensions of the composite figure are 44 (20 + 24) in width and 32 (20 + 24 + 8) in height. A small yellow rectangle with the number 2 is located to the right of the main figure.
