RES
2025

Diagram illustrating a geometric figure composed of several colored regions (A, B, C, D, E) and a small yellow box labeled 2.

The main figure is a large rectangle divided into five regions:

- Region A (Magenta):** A square with side length 24. Its top edge is labeled 20, and its right edge is labeled 24.
- Region B (Green):** A horizontal strip at the bottom with a height of 6. Its left edge is labeled 6, and its right edge is labeled 6. The total width of the bottom edge is labeled 40.
- Region C (Blue):** A square with side length 24. Its top edge is labeled 24, and its right edge is labeled 24.
- Region D (Green):** A small square on top of Region A with side length 8. Its top edge is labeled 8, and its right edge is labeled 8.
- Region E (Red):** A rectangle to the right of Region A with a width of 20 and a height of 24. Its top edge is labeled 20, and its right edge is labeled 24.

A small yellow box labeled 2 is located to the left of the main figure.
