RES
2024

Diagram illustrating a geometric figure composed of several colored regions (A, B, C, D, E, F, G) and smaller squares. The figure is a large rectangle divided into these regions. The regions are labeled with letters and numbers. The top-left square is yellow with '4'. The top-right square is yellow with '3' and '2'. The regions are: A (pink, bottom-left), B (red, top-center), C (green, bottom-right), D (red, middle-right), E (red, top-center), F (green, top-right), G (green, middle-left). The diagram includes various numerical labels for lengths and areas.
