The diagram illustrates a rectangle of dimensions 42 by 38, composed of five smaller rectangles labeled A, B, C, D, and E. The rectangles are arranged as follows:

- Rectangle D (blue) has dimensions 26 by 24.
- Rectangle B (green) has dimensions 11 by 15 and is placed to the right of D.
- Rectangle C (green) has dimensions 11 by 12 and is placed below B.
- Rectangle E (cyan) has dimensions 7 by 8 and is placed to the right of C.
- Rectangle F (green) has dimensions 9 by 16 and is placed to the right of E.

The total width of the arrangement is 24 + 11 + 7 = 42, and the total height is 26 + 12 = 38.
