RES
2025

The diagram shows three overlapping polygons labeled A, B, and C. Polygon A is pink, B is green, and C is yellow. The polygons are arranged such that B is at the top, A is to the left, and C is to the right. Various line segments are labeled with numbers:

- Polygon A (pink) has segments labeled 31, 76, 76, and 10.
- Polygon B (green) has segments labeled 10, 8, 27, 18, 19, 16, 8, 31, 5, 6, 8, 6, 7, and 10.
- Polygon C (yellow) has segments labeled 2, 18, 19, and 8.
