RES
2024

The diagram shows a complex geometric figure made of colored squares and rectangles. The central part is a large magenta shape labeled 'A'. To its left is a green rectangle labeled 'E H' with a '20' on its left side and an '8' on its bottom side. Above the magenta shape is a red rectangle labeled 'B' with a '12' on its top side and a '9' on its left side. To the right of the magenta shape is another red rectangle labeled 'C' with a '16' on its top side and a '9' on its left side. Further right is a red rectangle labeled 'F' with a '12' on its top side and a '17' on its right side. Below the magenta shape is a green rectangle labeled 'D G' with a '16' on its bottom side. To the left of the magenta shape is a yellow rectangle labeled '2'. Above the magenta shape are two yellow rectangles labeled '4' and '5'. Various numbers are also placed along the edges of the magenta shape: '16' on its top edge, '36' on its left edge, and '16' on its bottom edge. Other numbers like '8', '9', '12', '16', '17', and '20' are placed on the edges of the other colored shapes.
