RES
2025

The diagram shows three rectangles labeled A, B, and C. Rectangle A is pink, B is green, and C is blue. The dimensions and positions are as follows:

- Rectangle A (pink) has a width of 57 and a height of 17. Its bottom-left corner is at (15, 0) and its top-right corner is at (72, 17).
- Rectangle B (green) has a width of 26 and a height of 14. Its bottom-left corner is at (15, 17) and its top-right corner is at (41, 31).
- Rectangle C (blue) has a width of 23 and a height of 23. Its bottom-left corner is at (40, 0) and its top-right corner is at (63, 23).

The rectangles are arranged such that B is on top of A, and C is to the right of A. The bottom-left corner of A is at (15, 0), the bottom-left corner of B is at (15, 17), and the bottom-left corner of C is at (40, 0).
