The diagram illustrates four overlapping squares, A, B, C, and D, with their side lengths and the lengths of their overlapping regions. Square A is pink, B is blue, C is green, and D is red. The side lengths of the squares are: A=26, B=22, C=16, and D=24. The overlapping regions are labeled with their respective side lengths: the overlap of A and B is 4, the overlap of A and C is 2, the overlap of A and D is 9, the overlap of B and C is 5, and the overlap of C and D is 15. The central region where all four squares overlap is labeled 4.
