RES
2025

Diagram illustrating a building footprint with various colored rectangular sections labeled A, B, C, D, E, and F. The sections are defined by their dimensions and positions:

- Section A (Pink):** A large L-shaped section. The left vertical side is 44 units long. The top horizontal side of the left part is 28 units long. The bottom horizontal side is 13 units long. The right vertical side of the left part is 16 units long. The top horizontal side of the right part is 10 units long. The right vertical side of the right part is 17 units long. The bottom horizontal side of the right part is 32 units long.
- Section B (Blue):** A rectangular section on top of the right part of Section A. The left vertical side is 15 units long. The top horizontal side is 32 units long. The right vertical side is 15 units long. The bottom horizontal side is 10 units long.
- Section C (Cyan):** A small rectangular section on top of the left part of Section B. The left vertical side is 4 units long. The top horizontal side is 5 units long.
- Section D (Green):** A small rectangular section on the bottom left of Section A. The left vertical side is 4 units long. The bottom horizontal side is 7 units long.
- Section E (Light Green):** A rectangular section on the right side of Section A. The left vertical side is 7 units long. The bottom horizontal side is 8 units long. The right vertical side is 7 units long.
- Section F (Yellow):** A small rectangular section on the top right of the entire footprint. The left vertical side is 2 units long. The top horizontal side is 3 units long.
