RES
2025

The diagram shows a composite figure composed of six rectangles labeled A, B, C, D, E, and F. The rectangles are colored as follows: A is pink, B is blue, and C, D, E, and F are green. The dimensions of the rectangles are labeled as follows:

- Rectangle A (pink): 30 (height), 62 (width), 18 (bottom-left width), 2 (bottom-left width), 22 (bottom width), 12 (bottom-right width), 10 (bottom-right width).
- Rectangle B (blue): 4 (top-left width), 24 (top width), 28 (right height), 24 (bottom width), 6 (bottom-left width), 4 (bottom-left width).
- Rectangle C (green): 12 (left height), 18 (top width), 12 (right height).
- Rectangle D (green): 4 (left height), 10 (top width), 6 (bottom-left width), 10 (bottom-right width).
- Rectangle E (green): 8 (left height), 12 (top width), 12 (bottom width).
- Rectangle F (green): 6 (left height), 10 (top width), 10 (bottom width).
