RES
2025

The diagram illustrates three overlapping rectangles, A, B, and C, with various dimensions and labels. Rectangle A is blue, B is red, and C is green. The dimensions and labels are as follows:

- Rectangle A (Blue):** Dimensions include 36 (width), 20 (height), and 50 (total width including overlaps). The label 'A' is centered within the rectangle.
- Rectangle B (Red):** Dimensions include 38 (width), 21 (height), and 13 (width of the right section). The label 'B' is centered within the rectangle.
- Rectangle C (Green):** Dimensions include 27 (width), 6 (height), and 14 (width). The label 'C' is centered within the rectangle.
- Intersections and Overlaps:**
 - The intersection of A and B has a width of 13 and a height of 21.
 - The intersection of A and C has a width of 20 and a height of 6.
 - The intersection of B and C has a width of 14 and a height of 6.
- Other Dimensions:**
 - The total width of the combined shape is 50.
 - The total height of the combined shape is 38.
 - The width of the rightmost section of the combined shape is 13.
 - The width of the leftmost section of the combined shape is 27.
 - The width of the bottom section of the combined shape is 27.
 - The width of the top section of the combined shape is 27.
 - The width of the middle section of the combined shape is 27.
 - The width of the bottom-right section of the combined shape is 27.
 - The width of the top-right section of the combined shape is 27.
 - The width of the bottom-left section of the combined shape is 27.
 - The width of the top-left section of the combined shape is 27.

Two yellow boxes are present in the diagram:

- A yellow box with the number 3 is located at the top right.
- A yellow box with the number 2 is located at the bottom right.
