The diagram shows a large square divided into several colored regions (A, B, C, D, E, F, G, H) and smaller squares. The regions are labeled with letters and numbers. The overall dimensions are 30 by 30. The diagram is composed of several colored regions: a large pink region A (30x30), a blue region C (30x30), a red region F (30x30), a green region G (30x30), and a yellow region H (30x30). The regions are further divided into smaller squares and rectangles, with dimensions labeled. The diagram is a complex geometric puzzle.
