The diagram consists of several interconnected geometric shapes, each with associated numbers:

- Yellow Rectangles (Top):** A horizontal row of three rectangles. The first contains '5' above '4' and '3'. The second contains '8'. The third contains '2'.
- Green Rectangle (Left):** Labeled 'C'. It has a vertical edge on the left with '33' and a horizontal edge on the top with '6'. It is adjacent to a smaller green rectangle with '6' and '20' on its left side, and a horizontal edge on the bottom with '12'.
- Blue Rectangle (Top-Right):** Labeled 'B'. It has a horizontal edge on the top with '32' and a vertical edge on the right with '24'. It is adjacent to a horizontal edge on the bottom with '24'.
- Pink Rectangle (Center):** Labeled 'A'. It has a horizontal edge on the top with '26' and a vertical edge on the right with '6'. It is adjacent to a horizontal edge on the bottom with '26' and a vertical edge on the left with '46'.
- Red Rectangle (Bottom-Right):** Labeled 'E'. It has a horizontal edge on the top with '22' and a vertical edge on the left with '22'. It is adjacent to a horizontal edge on the bottom with '31' and a vertical edge on the right with '33'.
- Green Diamond (Right):** Labeled 'F'. It has a horizontal edge on the top with '7' and '9', and a vertical edge on the right with '8'.
- Yellow Rectangles (Bottom):** A horizontal row of three rectangles. The first contains '7'. The second contains '34' and '20'. The third contains '6'.
