The diagram consists of several interconnected geometric shapes, each with numerical labels and some with letters. The shapes are colored as follows:

- Blue shape (B):** A rectangle with a top width of 32 and a right height of 24. It is labeled with 'B' in the center.
- Green shape (C):** A vertical rectangle to the left of the blue shape, with a top width of 6 and a right height of 33. It is labeled with 'C' in the center.
- Pink shape (A):** A large central shape with a top width of 26 and a right height of 8. It is labeled with 'A' in the center.
- Red shape (E):** A large shape at the bottom right with a top width of 22 and a right height of 31. It is labeled with 'E' in the center.
- Yellow shapes:** Several small yellow shapes are scattered around the main figure, labeled with numbers: 5, 4, 3, 8, 2, 7, 6.
- Other shapes:** There are several green and pink shapes of various sizes and orientations, some labeled with numbers like 24, 33, 26, 8, 6, 22, 16, 12, 46, 22, 33, 31, 34, 20, 7, and others with letters like D, F, G.
