The diagram consists of several interconnected geometric shapes, each with associated numbers and labels:

- Yellow shapes:**
 - Top center: A small square with numbers 5, 4, and 3.
 - Top right: A small square with number 8.
 - Below it: A small square with number 2.
 - Far left: A small square with number 7.
 - Far right: A small square with number 6.
- Green shapes:**
 - Left side: A vertical rectangle labeled **C** with numbers 6, 33, and 20.
 - Below **C**: A rectangle labeled **D** with numbers 6, 6, 20, and 12.
 - Bottom right: A parallelogram labeled **F** with numbers 7, 9, 8, and 33.
 - Bottom center: A parallelogram labeled **G** with numbers 7, 34, 20, and 20.
- Blue shape:** A rectangle labeled **B** with numbers 32, 24, and 24.
- Pink shape:** A large rectangle labeled **A** with numbers 26, 8, 6, 22, 16, 46, and 26.
- Red shape:** A large parallelogram labeled **E** with numbers 22, 22, 7, 9, 8, 33, 31, and 7.
