The diagram consists of several interconnected geometric shapes, each with a unique color and associated numbers. The shapes are labeled A through G.

- Shape A (Pink):** A large central shape with numbers 26, 8, 6, 22, 16, 46, and 26.
- Shape B (Blue):** A shape at the top with numbers 32, 24, 24, and 33.
- Shape C (Green):** A shape on the left with numbers 6, 33, 6, 20, and 12.
- Shape D (Green):** A small shape on the left with numbers 6, 6, 20, and 12.
- Shape E (Red):** A large shape at the bottom right with numbers 22, 22, 7, 9, 8, 33, 31, 34, 20, 7, 6, and 20.
- Shape F (Green):** A small shape at the bottom right with numbers 7, 9, 8, and 33.
- Shape G (Green):** A small shape at the bottom right with numbers 7, 34, 20, 7, 6, and 20.

There are also several yellow shapes with numbers: 5, 4, 3, 8, 2, 7, 6, 3, 4, 5, 8, 2, 7, 6.
